I COULD
FEEL

THIS WAS...

SOMETHING
FOREIGN ENTERING
MY BODY.

THAT
ARE
FLOWING
INTO
ME?

WHAT
ARE
THESE
IMAGES

Hey,
hey.

What
are you
gonna
do with
me?

...

FIGHT-
ING
TOGETH-
ER?

That apple
is a magical
fruit that
allows two
witches to
combine
powers!

You'd be
willing to
denigrate
your own
body for
his sake
?

Inter-
esting!
I
accept
!!!

I'll put you in
a conspicuous
place so you
don't get
lonely.

Sorry,
Mother.

I need
you
petrified
for now.

about
how a blow
to the back
could knock
the wind out
of you.

You're
probably
wondering
right now

Well, it's
because
your
invincibility
is gone.

You think
you can
defeat
me with
something
as simple
as that?!

**TAKA-
MIYA
!!!**

**You
stupid
little
girl
!!!**

KAGARI!

My mother
always made
one thing
very clear
...

It didn't
matter if you
were injured or
if I was killed,
never let the
seal break.

So, I'm
considered
a dangerous
person.

If it
was ever
broken, her
protection
would
disappear
with it.

As long
as the seal
worked, she
could allow us
to live like
normal
students.
But—

That's
right.

Hold still.

I figured you were gonna turn everything in sight into another field of ash,

but you and I swapped places instead. How very like you, Takamiya.

You surprised me back there.

You tried to use your power, didn't you?

This is your one and only way to save her.

But what do you care for the fate of the world?

I...

BACK THEN,

That's ...

You can only defeat Mother if you beat her to the punch.

That's why I decided to join forces with Medusa.

But things would deteriorate if we just waited around.

I was sheltering Medusa and her girls so the Workshop wouldn't find out about the seal.

If any were captured by Mother, they'd spill everything once she tortured them.

S-So,

anyway, please continue.

Are you listening to me?

Uhm.

Yup.

DRIP
DRIP

I guess it was my fault for letting my guard down. I assumed the seal wouldn't break,

as it can only be broken if you wish to break it, Takamiya.

Kagari,

what do we do now?

We
defeat
Mother.

HUH?!
W-
WELL...

Then
what do
you want
to do?

You and
the Chair-
woman are
mother and
daughter!

You
shouldn't
be fighting!

BUT!

WE WERE
NO MATCH
FOR HER
BACK
THERE!

She's a total
sportsman, so
she'll join our
side if we can
defeat her.

Live with
your head
held high!
We're going
to school
tomorrow!!

...All
right.

Okay
?

The student
council meets
tomorrow.
It's your
first day
on the
job!

I've been
working
hard to
make
sure this
works!

There's still a move we can make.

But...

What do we do now?

Ah!

Could you be feeling remorse over putting me in this sorry state after mistaking me for a criminal?

...You never let me take a move back.
Nearie.

Check-mate.

No take backs, now.

GRR...

So,

Why
don't you
continue
on about
Medusa?

You've
always
been quite
the Pool,
despite your
intellect.

We have
come in
pursuit
of Medusa
from the
workshop in
Rothenberg.

My
name is
Laurent.
This is
Vine.

Pleased to
meet you.
You must be
Kazane
Kagari,
head of the
Tougetsu
City work-
shop.

Your
reputation
precedes
you.

THIS IS
A SCHOOL!
HOW MANY
TIMES DO
YOU PLAN
ON DE-
STROYING
THIS PLACE
?!?

It's
time
for us
to do
bat-
tle,
Mother!

FORGET
ABOUT THAT!
JUST GET BACK
IN YOUR SCHOOL
UNIFORM AND
GET DOWN
FROM THERE,
YOU STUPID
DAUGHTER
OF MINE!!

"DO
BAT-
TLE"
?!?!

I'M NOT
FIGHTING
YOU!

Why would
we have
to fight?!

...
You don't
want to
fight?

A LITTLE EARLIER.

The
same
thing?

...You
mean...

**HUNK
?!**

But that
method won't
be enough
to defeat
my mother.
We need to
be joined
together
even more
strongly!

GRAB

**HEY,
WAI-**

So just
be quiet
and close
your
eyes!

It'll only
take a
second.

How Girls Work

Witchcraft Works

IF there's
anything
you don't
understand,
just ask
them.

Ayaka.

Starting
tomorrow,
when you begin
middle school,
these two
classmates will
be supporting
your new
student-life.

It's
important
to make
friends.

Miss...
I don't
think
that's
a good
attitude
to take
...

What
exactly
are you
looking
up?
...

And this habit
of yours of
coming to the
library during
your free
time...

ハラ
ハラ

Then
I'll just
sit here
reading
manga.

Yeah, yeah.
No reply,
right?
Same as
always.

So,
why did
you want
to speak
to us new
students?

...

We thought
we'd teach
you a thing
or two about
how to make
your time
here more
enjoyable.

So...

You three
are getting
a lot of
attention
lately.

SNACK

THANKS,
WE'RE
FINE!

YOU
BETTER
NOT
FIGHT
BACK!
IF YOU
DO—

CREEP

す

We're
getting
dragged
into this,
too?

So,

Hah...

You
don't need
this kind
of stuff,
Miss.

You're
Fine as
you—

It'll help
fill out your
breasts—

would you
like to try
this one,
as well?

Miss,

...I
Found
him!

You
know...
I had a
strange
dream last
night.

A
dream
?

About
you in
middle
school,
Kagari...

ON MY FIRST DAY
AS STUDENT

A JUVENILE

NAMED RINON.

SHE WAS
NEAR ME
DURING THE
FISTFIGHT,
TAKING
SOME
OF THE
DAMAGE.

I THEN
UNDER-
STOOD

ONCE I WOKE UP,
KAGARI WAS
SITTING RIGHT
BY MY BED,
COVERED IN
BRUISES AND
SCRATCHES.

I know
what you
want to
say.

I...

We'll
begin
after
that.

Get
some rest
for two
or three
days.

We're going Spartan for this! Think of me as your drill sergeant !!

There won't be any collateral damage up here, and it makes things more tense!

Starting today, Takamiya, I'm teaching you how to fight!

W-
WE'RE DOING THIS PRETTY HIGH UP, AREN'T WE?

THIS IS KAGARI.
SHE'S MY CLASS-
MATE, A WITCH,
AND MY MASTER.

There's something
you're hiding
from me,
isn't there,
Takamiya?

I'M A BIT
OF AN ODD
HIGH SCHOOL

CURRENTLY
IN THE
MIDDLE OF
AN AFTER-

APPRENTICE-
SHIP.

MY
NAME IS
HONOKA
TAKA-

You said
earlier you
wouldn't teach
me because it
was dangerous!
Why the sudden
change of
heart?

But,
Kagari
...

Yes,
but...

why
do
you
ask
?

Haven't
you been
doing sit-ups
and push-ups
every night
now?

Huh
?

This way seems like it'll work well with you.

There's no risk of me being hurt, so you can fight without hesitation.

Don't worry.

Damage isn't transferred to me when it comes from my own attacks.

Oh, that's right.

Her special ability is fire breathing.

HUH?

It's
not

it's
going
to
kill
me

Aren't

as I can!

I'm
prepared
to get
a little

Why do
I have to

morning
now, of
all times
?!?

You're
almost
to the
ground
!

I'm
coming
!

Maybe
it was too
soon.

So, what
brings you
here?

...You're
better
off not
knowing.

...Well, a
Witch claiming
to be a Tower
messenger
showed up.

She said,
"Tell the
workshop head
that we've
taken every
person in
her town
hostage."

AT LEAST,
THAT WAS
THE PLAN.

THEN THEY
WOULD
INTENTION-
ALLY
LOSE TO
MAKE ME
LOOK
GOOD.

FIRST,
THE
DELIN-
QUENTS
WOULD

THE

AND
CHALLENGE
THE NEW

TO A DUEL.

UM...

Ah...

Sooo,
how's
she
going
to
lose?

It's
finally
time for
the
battle!

RINON...
DOESN'T
KNOW
ANYTHING
ABOUT
THIS PL-

I'M
SORRY
!!

But Rinon didn't know about the plan, and thought I was really a bad guy.

That happened,

And this happened.

Everything
you've lost,
you'll find
in school.

You should
become student
council president.
I'm sure you'll
be the center
of attention
in class.

We'll sit
next to each
other, be on
cleaning duty
together, and
walk to school
together.

You'll
make good
friends and
discover
interesting,
new
people.

Once
spring
vacation
ends,
we'll be
middle
school
students.

—Fine. I promise
to find you.

I'll sit next to you, get on
cleaning duty at the same time
as you, and walk to school
together with you. If I do that,
then I'm sure I'll be able to—

The
only clue
I have
is this
dream.

...I CAN'T
REMEMBER
ANYTHING.
I FEEL LIKE
THERE WAS
SOMETHING
IMPORTANT
I'M SUPPOSED
TO KNOW.

WHY
DO YOU

Afterword

Hello, Mizunagi here. Four volumes of Witchcraft Works already. Yaaay.

My editor told me that plans for an anime adaptation were moving forward. It's hard to explain how amazing it feels as a creator to know that a huge group of people are going to work to make characters you created "move" and "speak."

In this volume, we saw a giant Kagari, in a swimsuit, and the development of a new enemy. Please look forward to the next volume!

These pages are a collection of behind-the-scenes character and story elements that probably won't affect or appear in the main story, as well as comments by the author. If you finish reading the story and think, "I want to know more!" then we hope you enjoy the information here.

Chapter 13: Takamiya and Noblesse Oblige

★ Noblesse Oblige

A pact (custom) among witches that states, "Strength comes from dignity and beauty."

An old pact that was formerly important when masters made agreements with familiars, knights, and so on. The effects are as follows.

A witch gains the protection of Noblesse Oblige when she acts with dignity and beauty.

When a witch has the protection of Noblesse Oblige, her magical power is increased tenfold.

When a witch loses the protection of Noblesse Oblige, her magical power is reduced by nine tenths, and any special abilities are limited (※) Invincibility, damage transfer.

In short, it is a pact that allows a witch to wield powerful magic so long as she acts with grace.

More details about the pact will eventually be revealed in the series.

Kagari violated the pact this time around by forming two simultaneous contracts, considered an act of infidelity.

The only way to regain its lost effects is to once again act properly in a disciplined way over a long period of time. However, we see Kagari immediately regaining her power in this chapter.

This is because before getting thrown into jail, the Chairwoman used her ridiculous powers to return Kagari's contract to normal. She then scolded her daughter

saying, “This is the only time I’m doing this.”

★ Location Exchange

Magic that allows a retainer to exchange places with their master when their master is put in danger. A high-level form of damage transfer, it can only be used by Takamiya, the master in the contract.

★ The Apple of Discord

A fruit from the Garden of the Hesperides, found at the end of the world. It allows two witches to temporarily fuse their power. While Kagari says that Medusa “left her body,” in reality, time simply ran out. The Apple works for about an hour.

★ The Punishment Room

You can tell by the graffiti on the wall that Kagari has been here a number of times in the past.

• Kazane Kagari

Grows horns when angered. She has an extremely haphazard personality, sometimes ignoring the custom of leaving the protection of the town to five high school students, and also allowing Tower Witches to do as they please until they cause trouble. Some Workshop heads will not even tolerate the presence of a Tower Witch in their domain.

• Ayaka Kagari

Holds ear picks strangely; in her left hand, at that.

• Laurent and Vine of Rothenberg

“Tattooed Witches” sent from the German Workshop responsible for managing Medusa. They ride a large bird known as a rukh. Currently searching for Medusa.

• Medusa

In seclusion for the time being, as she’d be found if she returned to Tougetsu.

Chapter 14: Takamiya and Kagari’s Wound

A story about Kagari’s middle school days.

This story begins during the spring vacation immediately before Ayaka enters

middle school. Kanae Hoozuki and Touko Hio, Ayaka's relatives, are ordered by the feared head of the Kagari household, Kazane Kagari, to look after her daughter. The story itself takes place in Tougetsu Girls Middle School.

- Ayaka Kagari

Starts off confused by school, then one day begins to seclude herself in the library. She then finally starts to go around visiting different schools, all while also working to improve herself.

These actions are driven by a dream Ayaka has every night, some of which we learn about in chapter 16.

When she finds Takamiya, Ayaka holds her hand to an old scar on her stomach and grimaces.

- ★ Old scar

There is a large scar on Kagari's stomach.

- ★ Waking from a dream

In one scene, Kagari gets out of bed, leaves the room once, then re-enters. Something is slightly different about her when she comes back in.

- Kanae Hoozuki

Dislikes Kagari at first, but gradually comes to accept her. After entering high school, she takes on the role of her manager, as the head of her elite guard. Is not happy about Takamiya, who appeared from nowhere and stole away the school's princess.

- Touko Hio

Eats ice cream as a staple food. Loves winter. Creates aggressive snowmen when she's scared, and snowmen for hugging when she's sleepy. Loves Kagari a little too much.

- Mr. Mikage

Teacher for class 1-B. He infiltrates the middle school in order to scout future witches.

Natsume Mikage, one of his relatives, is also enrolled at the school.

- Furry-ears

These girls can be seen here and there during their middle school years, as well.

- Sasukee

A Naruto meme based on a line Itachi says, kind of like the Japanese version of the “Good Naruto, you look kind of cool” meme.

- Wanigawa

A prodigy whose grades are third in her class. She can be found all throughout the chapter. Looks like a regular crocodile, but becomes more humanoid as she matures. She shows up during high school in the volume 3 bonus as one of the three seniors that Kasumi beats up. May or may not have fallen in love at first sight with the gentleman crocodile who works for Chronoire.

- Gang of delinquents

A group of delinquents who look somewhat familiar. As they’re poor students, many of them went on to enroll at St. Jural Girls Academy, not Tougetsu Academy.

Chapter 15: Takamiya and the Strong-Armed Witch

- Takamiya

While Takamiya normally acts the part of the loser, in this chapter, he works hard to live up to his role as student council president. Of course, he does end up breaking his second seal during the battle with Rinon without even noticing it... Kagari probably decided to teach him how to fight in chapter 16 after seeing this and deciding that if he was going to let his power run wild, he might as well know how to use it.

- Kagari

Nurse Kagari makes an appearance this chapter. It’s important to note that she’s wearing her school uniform under the nurse outfit. Kagari is the type that favors form over function.

- The former student council president, now the vice-vice-vice student council president

She proposed the plan to set up a duel. Plans to ask for her good friend Rinon’s help, but strays from the path of good and causes her friend to go insane instead. A former *yankii*, she seems to be embarrassed about her past.

- Chronoire Schwarz VI

Becomes the substitute chairwoman when Kazane Kagari is out. She wholeheartedly believes that “Youth is violence” and “Justice is power.”

- Rinon Otometachibana

A bearslayer with strong arms and iron fists, she is the leader of the pajama wearing, problem-causing, costumed killers known as Tenjiku. The current bancho-style boss of Tougetsu city. She wears the Dragon's Tooth, given to bancho as proof of their battles, on her head like a horn.

She's a Workshop witch with a focus on power, and has three honorary scars on her forehead from her battle against a tiger. When blood rushes to her head, these scars open and ooze blood. A gang boss by day and witch by night, she is one of the five witches who protect the town.

- Kasumi

Leaves school early in the morning and doesn't know about Rinon's girls running wild as a result. She's shocked when she sees her bruised and battered brother that night and asks him what happened, but he doesn't tell her anything, leaving her annoyed.

Heard a rumor, the next day at school, that her brother won a duel against Rinon.

★ Normal students can't see witches when they wear robes, so the few student witches who were in attendance know the truth behind the fight.

Chapter 16: Takamiya and Kagari's After-School Lessons Part 2

Our second training chapter.

- Takamiya

As part of learning how to fight, Takamiya is trained in how to summon a familiar.

This ends up with him fighting a familiar summoned by Kagari, but (as Kagari also says), damage transfer does not work here as it normally would.

Self-inflicted injuries and damage from a retainer are not transferred, so when he fights his retainer Kagari's familiar, no damage will be transferred to her. This allows Takamiya to fight without having to worry about Kagari.

- Kagari

A pampering drill sergeant. We see different Kagari variations in this chapter, such as giant Kagari and swimsuit Kagari.

While she also says something similar at the end of volume 1, we learn what she sees as important here.

- Kasumi

Tends to spend a lot of time in her older brother's room. Tricks him into bathing with her, too.

Begins to tell her brother something about her and Rinon, so we can conclude that the two have some sort of relationship.

- Mr. Mikage + Chronoire Schwarz VI

Tea for two. Mr. Mikage is responsible for various tasks given to him directly by the chairwoman, and he befriends Chronoire while helping her during her time as substitute chairwoman.

- Kazane Kagari & Rinon Otometachibana

The magic square placed in the sewers, and the message Rinon was given that "Every person in town is a hostage."

At last, a wicked Tower assassin makes her appearance next volume...! I hope you're looking forward to it.

- Furry-ears

We finally learn all of their full names here in volume 4.

Under orders by Medusa to keep an eye on Takamiya (so that other Tower witches don't steal him away), they have no choice but to work with him.

As always, they're leading easygoing lives, getting beaten up by Rinon and watching their training room be destroyed.
